

For highest  
infection protection

Mobile and stationary partition walls  
for distance and protection

## Mobile partition walls

- Mobile counter top or free-standing solution made of aluminium profiles and clear Plexiglas
- Minimizes the risk of infection for employees and customers at sales and consulting counters
- Generous pass-through for goods, documents or other items
- Can be used immediately without structural measures on furniture
- Simple plate change for later alternative use as advertising board, pin board etc.
- Four adjustable feet to compensate for unevenness
- Easy to transport and space-saving in storage due to simple disassembly
- Available in standard dimensions or as individual production

## Mobile partition walls

### For highest work safety

- Mobile counter top or free-standing solution made of aluminium profiles and clear Plexiglas
- Minimizes the risk of infection for employees and customers
- Can be used immediately without structural measures on furniture
- Four adjustable feet to compensate for unevenness
- Simple plate change for later alternative use as advertising board, pin board etc.

(Crystal clear glass pane – opaque display just for simulation)
