Corner bracket with mounting material

Specification

Connection type Angle connection	Material Druckguss	Groove size 8 mm	Dimension A 40 mm	Dimension B 40 mm
Dimension C 40 mm	Dimension D 5 mm	Business division MUNK Profiltechnik	Order no. 930206	

Facts

- Profile angle for profile 40
- For joining profiles to each other
- Particularly suitable for retrofitting profiles
- Incl. mounting material

Description

Ready for immediate use – corner bracket complete with fastening parts! The MUNK corner bracket with mounting material connects 40 mm profiles securely at right angles and comes with a complete fastening set.

Complete solution for 90° connections

The 40 × 40 mm die-cast corner bracket is perfect for MUNK aluminium profiles with 8 mm T-slots. Weighing 59 g and with a wall thickness of 5 mm, it ensures permanent angle stability with high clamping forces – ideal for load-bearing frame connections.

We reserve the right to make technical changes and price changes.

Everything included – ready for immediate installation

No need to purchase small parts separately – insert the profiles, tighten the screws, and you're done.

Can be retrofitted

Thanks to its design, the corner bracket can also be retrofitted into existing structures without dismantling entire assemblies. Perfect for extensions or reinforcements.

Robust connection with a clean look

The die-cast body absorbs high clamping forces, while the internal screws ensure smooth outer edges. Ideal for visible frames on machines or enclosures.

Typical areas of application

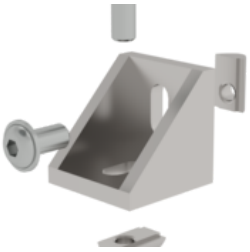

- Machine frames: reinforcement of 40 mm profiles without welding
- Protective & test enclosures: quick assembly of stable 90° frames
- Assembly tables: Retrofitting of struts or shelves
- Transport racks: Torsion-resistant corner connections for tugger train trolleys

Discover the MUNK corner bracket with mounting material – the complete solution for professional profile connections that hold today and can be expanded tomorrow.

Scope of supply

- Corner bracket: 1 x
- Pan head screw: 2 x
- Slot nut: 2 x
