Added value

Industrial grade

Stable and robust for tough everyday working life (including 4-way edging)

- Corrosion-resistant fixtures
- Use of high-quality and high-strength materials
- Versatile and practical accessories

The movable ladder shoe sets new standards in stability

Learn more

Ladder joint safe-cap

- Smooth ladder joint with large contact surface and sturdy plastic protective cap
- The 6 rivets and thicker wall thickness provide for greater stability and protection at this sensitive point on the ladder, increasing its service life
- The safe-cap protects the ladder when in use, when loading and storing, as well as the contact surfaces, walls, truck loading areas and the joint itself

ergo-pad® grip area

For easier and more ergonomic handling at the optimum carrying point
